## PROGRAM REPORT

Date: 11-03-2020

**Name of the program:** Awareness Program on Menstrual Hygiene

**Date:** 10-03-2020

**Venue:** Indira Gandhi Memorial Municipal High School, Kurnool

**No of students participated:** 35

### **Introduction:**

The Menstrual Hygiene Awareness Program organized by MIPER NSS Unit was a resounding success. The aim of this program was to spread awareness about menstrual hygiene among government school girls in our community. The program included various informative sessions, interactive discussions, and practical demonstrations, all focused on promoting better menstrual health practices.

### **Program Highlights:**

**Introduction to Menstrual Hygiene:** The program began with an informative session explaining the significance of menstrual hygiene and its impact on the overall health and well-being of young girls.

**Hygiene Products:** A detailed presentation covered various menstrual hygiene products available, such as sanitary pads, menstrual cups, and tampons. The students were educated about the correct usage and disposal methods.

**Health and Well-being:** A comprehensive discussion on how menstrual hygiene directly affects physical and emotional health was conducted. The importance of maintaining good hygiene during menstruation was emphasized.

**Dispelling Myths:** A segment dedicated to addressing common misconceptions and myths surrounding menstruation was well-received by the participants.

**Interactive Sessions:** Engaging question-and-answer sessions allowed the government school girls to ask questions and seek clarification on various aspects of menstrual hygiene. These sessions provided valuable insights into their concerns and queries.

**Volunteer Participation:** The program witnessed enthusiastic participation from our college students who volunteered their time and efforts to make the event a success.

### **Conclusion:**

The **Menstrual Hygiene Awareness Program** was an impactful initiative that succeeded in achieving its objectives. It educated young girls about menstrual hygiene, debunked myths, and encouraged open discussions. We extend our gratitude to all volunteers, and participants who made this program possible.

## PROGRAM REPORT

Date: 31-01-2020

Name of the Program: Awareness campaign on World Leprosy Day

Date: 30-01-2020

Venue: Joharapuram Village

Organized by: MIPER NSS Unit

No. of students participated: 52

### **Introduction:**

An awareness campaign was conducted on World Leprosy Day by **MIPER NSS**, which falls on January 30th every year, in Joharapuram Village. The objective of this campaign was to raise awareness about leprosy, reduce stigma associated with the disease, and promote early detection and treatment.

### **Activities:**

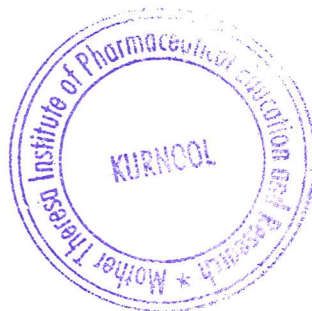

**Educational Workshops:** Provided information about the causes, symptoms, and treatment of leprosy. They also emphasized the importance of early diagnosis and timely treatment.  
**Awareness Walk:** A march through the village streets was organized to grab the attention of the villagers. Volunteers carried banners and distributed pamphlets with information about leprosy.

### **Outcome:**

**Increased Knowledge:** The villagers gained a better understanding of leprosy, including its causes, symptoms, early detection and treatments. Myths and misconceptions were addressed, leading to reduced stigma.

### **Conclusion:**

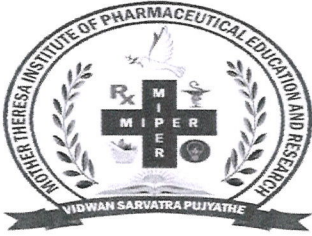

The World Leprosy Day awareness campaign conducted in Joharapuram Village on January 30, 2020, was a resounding success. MIPER NSS volunteers proved instrumental in educating the community, dispelling myths, and promoting early detection of leprosy. The campaign's impact was evident in increased knowledge, reduced stigma, and improved engagement with health issues among the villagers.

## PROGRAM REPORT

Date: 15-06-2019

Name of the Program: World Blood Donor Day

Date: 14-06-2019

Venue: Sri Sai Krishna degree college

Organized by: MIPER NSS Unit

Number of students participated: 20

### **Introduction:**

World Blood Donor Day is an international event observed on June 14th each year to raise awareness about the importance of blood donation and recognize the life-saving contributions made by voluntary blood donors worldwide. In our college, the World Blood Donor Day was celebrated with great enthusiasm and participation on 14-06-2019.

### **Event Highlights:**

#### **Awareness Campaign:**

To kick start the World Blood Donor Day celebrations, an extensive awareness campaign was organized within the college premises and in Sri Sai Krishna degree college. Posters, banners, and informative leaflets were displayed to educate students, faculty, and staff about the significance of blood donation and the impact it can have on saving lives.

### **Conclusion:**

Finally, the World Blood Donor Day celebration in Sri Sai Krishna degree college, by MIPER NSS Unit, Kurnool, was a resounding success, emphasizing the importance of blood donation and motivating students, faculty, and staff to actively participate in this life-saving act. The event fostered a sense of responsibility and compassion among the college community, highlighting the power of collective effort in ensuring a steady blood supply for those in need. By raising awareness and encouraging voluntary blood donation, the college made a significant contribution to the global endeavor of saving lives through blood donation.

## PROGRAM REPORT

Date: 05/06/2019

**Name of the program:** Awareness Program on Prevention of Plastic Usage

**Date:** 03-06-2019

**Venue:** Joharapuram village, Kurnool dist.

**No of students participated:** 20

### **Introduction:**

The Awareness Program on Prevention of Plastic Usage in Joharapuram Village, organized by our MIPER NSS Unit, took place on **03-06-2019** at **10:00AM** in Joharapuram Village. The program aimed to raise awareness about the harmful effects of plastic pollution and promote responsible plastic usage among the residents of Joharapuram Village.

### **Program Highlights:**

**Educational Presentations:** These presentations were designed to provide the villagers with a comprehensive understanding of the issue, its effects on the local ecosystem and health.

**Interactive Sessions:** The interactive sessions allowed the residents to actively engage in discussions and share their perspectives on plastic usage.

**Practical Demonstrations:** Practical demonstrations showcased alternatives to single-use plastics. Villagers learned how to create reusable items and reduce their reliance on plastic products.

**Plastic Collection Drive:** As part of the program, a plastic waste collection drive was organized. Residents actively participated by collecting plastic waste from their surroundings. This waste was later disposed of properly, and recyclable materials were sent for recycling.

### **Achievements and Impact:**

The program successfully raised awareness about plastic pollution, with active participation from a significant portion of the village population.

Many villagers expressed their commitment to reducing plastic usage in their daily lives.

### **Conclusion:**

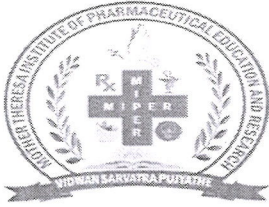

This program was a significant step toward addressing plastic pollution and promoting responsible plastic usage in the community. It fostered awareness, encouraged discussions, and provided practical solutions to reduce plastic waste. We are committed to continuing our efforts in collaboration with the villagers to achieve a plastic-free and environmentally sustainable Joharapuram Village. We extend our gratitude to all participants, volunteers, and supporters for their dedication to this noble cause.
