MIPER has organized the workshop in the college by an Assistant professor of English, and trained the students on "Listening Skills", in personal and professional life.

She explained that listening skills are more important in life because they may cause misunderstandings and cause problems which cannot be rectified easily. So, these skills are very essential in both personal and professional life.

A total number of 43 students participated in the session very actively and participated enthusiastically. The session was conducted successfully, with the help of all the faculty members.

PROGRAM REPORT

DATE: 25-02-22

Name of the program: Speaking skills (Debate)

Resource Person :

Mr.M Chinnababu

Seasoned Verbal ,Soft skills Trainer and Data Analyst

M.Sc,M.A English, B.ED

☎9396544667

The department of MIPER, organized the workshop on Speaking Skills (Debate) in the college on 24-02-2022. This session especially to improve the speaking skills that avoids the threat or the stage fear in the students and makes them speak very boldly.

Mr.M Chinnababu ,Soft skills Trainer and Data Analyst ,presented the session on speaking skills which included debating skills. A total number of 34 students participated in the session very enthusiastically.

The session was conducted very successfully with the coordination of faculty members of all the departments.The Speaking Skills (Debate) Program successfully achieved its objectives, fostering a dynamic learning environment that empowered participants to become more confident and effective communicators.

Building on the success of this program, future plans include expanding the curriculum, incorporating advanced debating techniques, and potentially organizing intercollegiate debate events.

PROGRAM REPORT

DATE: 11-12-20

Name of the Program: Vocabulary building

Resource Person :

Mr. TV Sheshadri naidu

Lecturer SRC BED College, Kurnool

9985370405

sheshadrinaidutv@gmail.com

MIPER College organized the program on Vocabulary skills in the Seminar Hall, from 10.30 am to 4.30 pm

Creating a vocabulary skills report involves assessing and documenting an individual's proficiency in understanding, using, and expanding their vocabulary.

Mr. TV Sheshadri naidu , Lecturer of English, educated the students on the topic of

"Vocabulary building" which is an essential skill in daily life required to communicate well in all places. Around 39 students participated partially in two sessions. The sessions were conducted successfully

The vocabulary skills assessment utilized a combination of written tests, verbal communication exercises, and practical applications in real-world scenarios.

CIRCULAR

We are pleased to announce an upcoming session on "Non-Verbal Communication, Speaking, and Communication in Professional Settings." from **25-10-18**. This workshop is designed to enhance your communication skills, especially in a professional context, and will be conducted by an expert in the field.

Non-verbal communication plays a significant role in professional settings and is closely tied to both speaking and overall communication effectiveness.

Continuous awareness, practice, and refinement of these skills contribute to overall success in a professional context.

PROGRAM REPORT

DATE: 26-10-18

Name of the program: Non-Verbal Communication, Speaking and Communication in a Professional Setting

Resource person:

Mrs.Sandy Josh
Soft skill Trainer
Professor of English
The Adoni Arts and Science College

Introduction:

A dynamic session on Non-Verbal Communication, Speaking and Communication in a Professional Setting was conducted at MIPER college of pharmacy. The objective was to equip students with essential skills for effective communication in both academic and professional contexts.

Session Highlights:

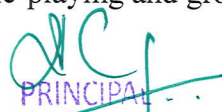

Non-Verbal Communication: Students learned the significance of body language, facial expressions, and gestures in conveying messages accurately. Practical exercises helped them recognize and utilize non-verbal cues effectively.

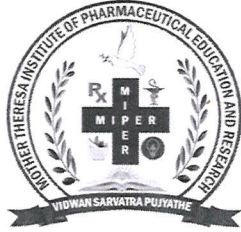

Speaking Skills: Participants honed their public speaking abilities, focusing on voice modulation, articulation, and confidence-building techniques. They practiced delivering speeches, receiving constructive feedback

Professional Communication: The importance of clear and concise communication in the workplace was stressed. Topics included email etiquette, active listening, and conflict resolution strategies

The interactive nature of the session engaged students actively. Role-playing and group discussions allowed them to apply their newfound skills
