CIRCULAR

All the faculty members are informed that MIPER is organizing a one-week Faculty Development Program on "Insights into Innovation, Learning and Research in Pharmaceutical Sciences – A Transforming Era " from 11 July 2022 to 16 July 2022 by Mrs.D. Riyasunnisa, Associate Professor, Dept. of Pharmacology, Safa College of Pharmacy, Kurnool, A.P. All the faculty members are requested to attend this program and to make it a success.

11th- 16th July, 2022

ABOUT THE COLLEGE

“Education is the manifestation of the perfection already in man”. – Swami Vivekananda.

In keeping with this objective, Theresa Samuel George Society was formed by like minded individuals in 2017. Education is the medium through which expansion and exploration of human civilization have been taking place. The educational institutions have made tremendous contribution in this respect. These institutions are covering the raw intake into efficient resources needed for the society under a certain curriculum and infrastructure. The globalization phenomenon has brought tremendous benefits to India and has opened up tremendous employment opportunities. MOTHER THERESA INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH, sponsored by THERESA SAMUEL GEORGE SOCIETY aiming to provide a world-class education by providing a learning experience designed to develop intellectual abilities, as well as social, moral and ethical values.

VISION

Providing a dynamic educational expertise to a high-achieving, diverse and potential student community and vital teaching experience to the faculty, thus empowering them to become leaders in pharmaceutical health care endeavors. Leading in innovative research in core area of pharmaceutical sciences with interdisciplinary areas. To nurture the students for an overall development and to foster intellectual excellence with communal harmony and peace.

MISSION

To impart a quality education and research with ethics and global standards through advancement in pharmaceutical knowledge and patient care. To aspire a lifelong commitment of personal and professional development. To serve the society with dedication and integrity for the wellness of humanity.

PROGRAM REPORT

Name of the Program: A One Week Faculty Development Program on “**Insights into Innovation, Learning and Research in Pharmaceutical Sciences – A Transforming Era**”

Resource Person:

Mrs. D. Riyasunnisa,
Associate Professor,
Dept. of Pharmacology,
Safa College of Pharmacy, Kurnool

Phone: +91 9182 678 037

Duration: 11th- 16th July, 2022(6 Days)

Location: MIPER Auditorium

No. of Participants:43

The Faculty Development Program (FDP) on "Insights into Innovation, Learning, and Research in Pharmaceutical Sciences – A Transforming Era," led by Mrs. D Riyasunnisa, provided participants with a profound understanding of the evolving landscape in pharmaceutical sciences. The FDP, conducted over the specified duration, aimed to equip educators and researchers with insights into the latest innovations, learning methodologies, and research trends in the dynamic field of pharmaceutical sciences.

The pharmaceutical industry is witnessing rapid advancements, and educators and researchers in the field must stay abreast of the latest trends and methodologies to prepare the next generation of professionals. Mrs. D Riyasunnisa, an esteemed expert in pharmaceutical sciences, spearheaded the FDP, guiding participants through key insights that are shaping the future of the discipline.

Scope and Objectives:

1. Innovations in Pharmaceutical Sciences:

MOTHER THERESA INSTITUTE OF PHARMACEUTICAL EDUCATION & RESEARCH

(SPONSORED BY THERESA SAMUEL GEORGE SOCIETY)

(Approved by AICTE, Affiliated to Jawaharlal Nehru Technological University Ananthapur)

46-1-N-1, George Avenue, A-Camp, Joharapuram Road,
KURNOOL 518002, Andhra Pradesh, India.

Phone : +91-8518-277572 | Helplines : +91-9849 332 122, 7330 666 762
E-mail : miperknlapindia@gmail.com | Website : www.miperknlapindia.ac.in

- Exploring recent breakthroughs and innovations in drug discovery, development, and delivery.

- Understanding the impact of technology, artificial intelligence, and data analytics on pharmaceutical innovation.

2. Transformation in Learning Methodologies:

- Adapting pedagogical approaches to engage and inspire students in pharmaceutical education.

- Incorporating technology, case-based learning, and interactive methods to enhance the learning experience.

3. Current Trends in Pharmaceutical Research:

- Identifying emerging research areas in pharmaceutical sciences.

- Discussing interdisciplinary collaborations and the integration of cutting-edge technologies in research.

4. Regulatory Landscape and Compliance:

- Providing an overview of the evolving regulatory framework in pharmaceuticals.

- Ensuring compliance with ethical and regulatory standards in pharmaceutical research and development.

Participant Feedback:

Participants expressed high satisfaction with the FDP, highlighting the following key takeaways:

Participants appreciated the in-depth insights into the latest innovations and trends in pharmaceutical sciences, providing a holistic view of the evolving field. The practical workshops and hands-on sessions were particularly valuable, allowing participants to apply theoretical knowledge in real-world scenarios. Panel discussions and interactive sessions

fostered engaging discussions, providing diverse perspectives and enhancing the overall learning experience.

Conclusion

The FDP on "Insights into Innovation, Learning, and Research in Pharmaceutical Sciences – A Transforming Era" by Mrs. D Riyasunnisa successfully met its objectives by providing a comprehensive overview of the evolving landscape in pharmaceutical sciences. The program equipped participants with the knowledge and skills needed to navigate the challenges and opportunities presented by the transforming era in the field.

ABOUT THE COLLEGE

“Education is the manifestation of the perfection already in man”. – Swami Vivekananda.

In keeping with this objective, Theresa Samuel George Society was formed by like minded individuals in 2017. Education is the medium through which expansion and exploration of human civilization have been taking place. The educational institutions have made tremendous contribution in this respect. These institutions are covering the raw intake into efficient resources needed for the society under a certain curriculum and infrastructure. The globalization phenomenon has brought tremendous benefits to India and has opened up tremendous employment opportunities. MOTHER THERESA INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH, sponsored by THERESA SAMUEL GEORGE SOCIETY aiming to provide a world-class education by providing a learning experience designed to develop intellectual abilities, as well as social, moral and ethical values.

VISION

Providing a dynamic educational expertise to a high-achieving, diverse and potential student community and vital teaching experience to the faculty, thus empowering them to become leaders in pharmaceutical health care endeavors. Leading in innovative research in core area of pharmaceutical sciences with interdisciplinary areas. To nurture the students for an overall development and to foster intellectual excellence with communal harmony and peace.

MISSION

To impart a quality education and research with ethics and global standards through advancement in pharmaceutical knowledge and patient care. To aspire a lifelong commitment of personal and professional development. To serve the society with dedication and integrity for the wellness of humanity.

Date: 17-01-2023

PROGRAM REPORT

Name of the Program: A One Week Faculty Development Program on “Emerging Trends and Regulations in Products of Herbal Origin”

Resource Person:

Mr. B. Nagendra,
Associate Professor,
Dept. of Pharmacognosy, OTPRI,
Ananthapuramu.
Phone No: +91 9059 094 647

Duration: 09-1-2023 to 14-01-2023(6 Days)

Location: MIPER Auditorium

No. of Participants:37

The Faculty Development Program (FDP) on "Emerging Trends and Regulations in Products of Herbal Origin," facilitated by Mr. B Nagendra, provided a comprehensive exploration of the dynamic landscape of herbal products. This program, spanning the specified duration, aimed to equip participants with insights into the latest trends, innovations, and regulatory aspects in the field of herbal products. As the demand for herbal products continues to rise globally, educators, researchers, and professionals in the field must stay informed about emerging trends and regulatory frameworks. Mr. B Nagendra, a distinguished expert in herbal sciences, led the FDP, guiding participants through key insights that are shaping the future of herbal product development and regulation.

Scope and Objectives:

1. Emerging Trends in Herbal Product Development:

- Exploring recent advancements and innovations in the development of herbal products.
- Analyzing market trends and consumer preferences in the herbal products industry.

2. Quality Control and Standardization:

KURNOOL 518002, Andhra Pradesh, India.

Phone : +91-8518-277572 | Helplines : +91-9849 332 122, 7330 666 762
E-mail : miperknlapindia@gmail.com | Website : www.miperknlapindia.ac.in

- Understanding the importance of quality control measures in herbal product manufacturing.

- Exploring standardization methods for ensuring the consistency and efficacy of herbal formulations.

3. Herbal Product Regulations:

- Navigating national and international regulatory frameworks for herbal products.

- Ensuring compliance with safety, quality, and labeling regulations in the herbal industry.

4. Innovations in Herbal Extraction Techniques:

- Examining state-of-the-art extraction methods for obtaining bioactive compounds from medicinal herbs.

- Discussing sustainable and eco-friendly approaches to herbal extraction.

Participant Feedback

Participants expressed high satisfaction with the FDP, citing the following key takeaways:

Up-to-Date Industry Insights: Participants appreciated the timely and relevant insights into the current trends and innovations in herbal product development. The hands-on workshops and case studies were particularly valuable, providing practical knowledge applicable to their work in herbal sciences. Participants commended Mr. B Nagendra's expertise and engaging delivery, making complex regulatory topics accessible and understandable.

Conclusion

The FDP on "Emerging Trends and Regulations in Products of Herbal Origin" by Mr. B Nagendra successfully achieved its objectives by providing participants with a holistic understanding of the evolving landscape of herbal product development and regulation. The program equipped participants with the knowledge and skills needed to navigate the complexities and opportunities in the herbal products industry.
