CIRCULAR

All the faculty members are informed that MIPER is organizing a one-week Faculty Development Program on "**Laboratory Learning Skills in Conducting Practical Classes**" from 23-08-2021 to 28-08-2021 by **Mrs. G. Aruna, Associate Professor, Dept. of Pharmacology, Dr. KVSRIIP, Kurnool, A.P.** All the faculty members are requested to attend this program and to make it a success.

A One Week Faculty Development Program on Laboratory Learning Skills in Conducting Practical Classes

23-08-2021 to 28-08-2021

ABOUT THE COLLEGE

“Education is the manifestation of the perfection already in man”. – Swami Vivekananda.

In keeping with this objective, Theresa Samuel George Society was formed by like minded individuals in 2017. Education is the medium through which expansion and exploration of human civilization have been taking place. The educational institutions have made tremendous contribution in this respect. These institutions are covering the raw intake into efficient resources needed for the society under a certain curriculum and infrastructure. The globalization phenomenon has brought tremendous benefits to India and has opened up tremendous employment opportunities. MOTHER THERESA INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH, sponsored by THERESA SAMUEL GEORGE SOCIETY aiming to provide a world-class education by providing a learning experience designed to develop intellectual abilities, as well as social, moral and ethical values.

VISION

Providing a dynamic educational expertise to a high-achieving, diverse and potential student community and vital teaching experience to the faculty, thus empowering them to become leaders in pharmaceutical health care endeavors. Leading in innovative research in core area of pharmaceutical sciences with interdisciplinary areas. To nurture the students for an overall development and to foster intellectual excellence with communal harmony and peace.

MISSION

To impart a quality education and research with ethics and global standards through advancement in pharmaceutical knowledge and patient care. To aspire a lifelong commitment of personal and professional development. To serve the society with dedication and integrity for the wellness of humanity.

PROGRAM REPORT

Name of the Program: A One Week Faculty Development Program on
“Laboratory Learning Skills in Conducting Practical Classes”

Resource Person:

Mrs. G. Aruna,
Associate Professor,
Dr. K.V. Subba Reddy institute of Pharmacy, Kurnool

Phone No.: +91 9160 450 507

Duration of the Program: 23-08-2021 to 28-08-2021(6 Days)

Location: MIPER Auditorium

No. of Participants:42

The 6-day Faculty Development Program (FDP) on Laboratory Learning Skills in Conducting Practical Classes, led by Mrs. G. Aruna, provided an invaluable opportunity for participants to enhance their proficiency in facilitating laboratory sessions. The program aimed to equip educators with the necessary skills to create an engaging and effective learning environment in practical classes.

The FDP focused on addressing the challenges associated with laboratory-based learning and sought to provide participants with innovative approaches and best practices for conducting practical classes. Mrs. G. Aruna, an experienced expert in laboratory education, spearheaded the program, sharing her insights and expertise with the participants.

Scope and Objectives:

1. Understanding the Importance of Practical Learning:

- Discussing the significance of hands-on experiences in reinforcing theoretical concepts.
- Exploring different learning styles and how practical sessions cater to diverse student needs.

E-mail : miperkniapindia@gmail.com | Website : www.miperkniapindia.ac.in

2. Designing Effective Laboratory Experiments:

- Principles of experiment design and its alignment with learning objectives.
- Incorporating real-world applications to enhance the relevance of experiments.

3. Utilizing Technology in Laboratory Instruction:

- Integrating digital tools and simulations for virtual experiments.
- Overcoming challenges in implementing technology in the laboratory setting.

4. Safety and Ethical Considerations:

- Emphasizing the importance of safety protocols in laboratory settings.
- Addressing ethical considerations in experimental design and data collection.

5. Assessment and Feedback in Practical Classes:

- Designing formative and summative assessments for practical sessions.
- Providing constructive feedback to students to enhance their learning experience.

Participant Feedback:

Participants provided positive feedback on the FDP, highlighting the following key takeaways:

1. **Practical Insights:** Participants appreciated the practical insights and hands-on experiences, which enhanced their confidence in conducting laboratory classes.
2. **Relevance to Current Trends:** Mrs. G. Aruna incorporation of the latest technologies and trends in laboratory education was highly appreciated.
3. **Safety Emphasis:** Participants commended the emphasis on safety and ethical considerations, ensuring a secure learning environment.

E-mail : miperknlapindia@gmail.com | Website : www.miperknlapindia.ac.in

4. Applicability to Different Disciplines: The program's content was adaptable to various disciplines, making it relevant for a diverse range of educators.

Conclusion

The 6-day FDP on Laboratory Learning Skills in Conducting Practical Classes, led by Mrs. G. Aruna, successfully achieved its objectives of equipping educators with the necessary skills to conduct engaging and effective laboratory sessions. The program's comprehensive approach, combining theory with hands-on experiences, ensures that participants are well-prepared to enhance the practical learning experience for their students. This FDP serves as a valuable contribution to the advancement of laboratory education in higher learning institutions.

ABOUT THE COLLEGE

History

Education is the manifestation of the perfection already in man. – Swami Vivekananda. In keeping with this objective, Theresa Samuel George Society was formed by like minded individuals in 2017. Education is the medium through which expansion and exploration of human civilization have been taking place. The educational institutions have made tremendous contribution in this respect. These institutions are covering the raw intake into efficient resources needed for the society under a certain curriculum and infrastructure. The globalization phenomenon has brought tremendous benefits to India and has opened up tremendous employment opportunities. MOTHER THERESA INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH, sponsored by THERESA SAMUEL GEORGE SOCIETY aiming to provide a world-class education by providing a learning experience designed to develop intellectual abilities, as well as social, moral and ethical values.

Vision

Providing a dynamic educational expertise to a high-achieving, diverse and potential student community and vital teaching experience to the faculty, thus empowering them to become leaders in pharmaceutical health care endeavors. Leading in innovative research in core area of pharmaceutical sciences with interdisciplinary areas. To nurture the students for an overall development and to foster intellectual excellence with communal harmony and peace.

MISSION

To impart a quality education and research with ethics and global standards through advancement in pharmaceutical knowledge and patient care. To aspire a lifelong commitment of personal and professional development. To serve the society with dedication and integrity for the wellness of humanity.

PROGRAM REPORT

Name of the Program: A One Week Faculty Development Program on “**Intellectual Property Rights: An Overview**”

Resource Person:

Mr. Vagesh,
Associate Professor,
Dept. of Pharmaceutics,
St. Johns College of Pharmaceutical Sciences, Yemiganur.
Phone No: +91 9553 107 937

Duration: 25th – 30th April, 2022(6Days)

Location: MIPER Auditorium

No. of Participants:41

The 6-day Faculty Development Program (FDP) on Intellectual Property Rights (IPR): An Overview, led by Mr. Vagesh, provided a comprehensive understanding of the significance and intricacies of intellectual property in the academic and research context. The program aimed to equip participants with the knowledge and skills necessary for navigating the complex landscape of intellectual property rights.

Intellectual Property Rights play a crucial role in fostering innovation, creativity, and the protection of intellectual assets. The FDP, conducted over five days, delved into the multifaceted aspects of IPR, with Mr. Vagesh, an accomplished expert in the field, guiding participants through the complexities and practical applications of intellectual property.

Scope and Objectives:

1. Introduction to Intellectual Property:

- Understanding the concept of intellectual property and its various forms, including patents, copyrights, trademarks, and trade secrets.
- Recognizing the importance of intellectual property in promoting innovation and economic development.

2. IPR Laws and Regulations:

Phone : +91-8518-277572 | Helplines : +91-9849 332 122, 7330 666 762
E-mail : miperknlapindia@gmail.com | Website : www.miperknlapindia.ac.in

- Providing an overview of national and international laws governing intellectual property.

- Analyzing the implications of legal frameworks on research, development, and commercialization.

3. IPR in Academic and Research Settings

- Exploring the role of intellectual property in academic institutions and research organizations.

- Strategies for identifying, protecting, and managing intellectual property arising from research.

4. Technology Transfer and Commercialization:

- Understanding the process of technology transfer from academia to industry.

- Exploring avenues for commercializing intellectual property and maximizing its economic potential.

5. Ethical Considerations and Best Practices:

- Addressing ethical considerations in intellectual property management.

- Sharing best practices for responsible and ethical conduct in intellectual property-related activities.

Participant Feedback

Participants expressed high satisfaction with the FDP, citing the following key takeaways:

1. Clarity on IPR Concepts: The program provided a clear and comprehensive understanding of intellectual property concepts, debunking myths and misconceptions.

2. Practical Relevance: Participants appreciated the practical insights and real-world applications discussed during the program, making the content immediately applicable to their work.

3. Engaging Delivery: Mr. Vagesh's engaging and interactive teaching style was well-received, keeping participants actively involved throughout the sessions.

4. Networking Opportunities: The program facilitated networking among participants, allowing for the exchange of ideas and potential collaborations.

Conclusion

The FDP on Intellectual Property Rights: An Overview, led by Mr. Vagesh, successfully achieved its objectives by providing participants with a comprehensive understanding of intellectual property concepts and their practical applications. The program's emphasis on both theoretical knowledge and practical skills ensures that participants are well-equipped to navigate the complex landscape of intellectual property rights in their academic and research endeavors.

CIRCULAR

I am pleased to announce a one-day training program on launch of our new initiative "Strategies for supporting teaching faculty and student success" designed to enhance the skills and professional growth of our non-teaching staff. As we continue to strive for academic excellence, it is crucial to recognize and invest in the development of all members of our educational community. Hence all the non-teaching staff is informed to attend program without fail.

Date: 03-05-2022
