Alumni Association Formation Report – 16th July 2022

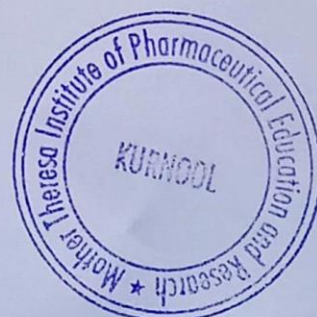

Mother Theresa Institute of Pharmaceutical Education & Research (MIPER) has initiated the formation of MIPER Alumni Association in July 2022.

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of MIPER Alumni Association turned into reality.

After reviewing the feedback regarding importance of formation of Alumni Association from stake holders of the Institution, such as 1st Batch B. Pharm passed out students (AY2018-21) who were attended the Graduation day on 16th July 2022 and Dr. Leela Madhuri who was the stake holder from the sister concern college SGIPS, Markapur, finally it was resolved by TEAM MIPER to form MIPER Alumni Association.

For this wonderful program Dr. T.V. Narayana, President, IPA was invited for inauguration of MIPER Alumni Association on 16th July 2022. The Program was conducted at MIPER College campus, Kurnool at George Auditorium. The Founder & Director MIPER Dr. A. Sathish & Director Academics Dr. Stella Sathish led the entire program. The Alumni Association of MIPER has formed to facilitate and coordinate Alumni Activities at MIPER.

The welcome speech for the occasion was given by the Director Dr. Sathish followed by Dr. Stella Sathish, and many other teachers were present for the occasion. Many of the enthusiastic passed out students were present for the formation of the Alumni meet. During the meet it was decided form the Alumni Association. Mr. Sai Likhil to act as a President of MIPER Alumni Association after informal election & voting procedure by the attendees. The Representatives from alumni students were elected unopposed for the various posts of Executive committee by the ex- students present.

Invitation Letter for the First Alumni Meet

*It's time to reminisce
As our memories age by another year,
It's time to look back and relive
The carefree days that we shared here...
Life goes on, and we part ways,
But let's take a day to come back to all that we miss
Let's us celebrate all that was
And all that is....*

It is a matter of great pride and honour for the College when its students spread their wings and take flight into the infinite sky. You, our alumni, are our priceless possessions and valued emissaries who have added sheen and luster to the glory of the institute and raised the banner of the Institution high.

In order to foster and strengthen the College - alumni bond and relive the fond memories, the Institution is organizing its First Alumni Meet.

Day and Date: Friday, February 10, 2023

Time: 11:00 A.M. – 2:00 P.M.

Venue: MIPER Auditorium

We are sure that you will certainly mark this day in your calendar to walk down the memory lane to catch up with your teachers, mentors and not the least, your childhood companions. We shall relive the golden moments you cherished with your Alma Mater. Let us all come together and share our journeys. We would certainly acknowledge and appreciate your continued and valued association with our esteemed Institute.

Also to relive the Nostalgia, you are requested to bring a photograph of your College days and one recent photograph.

5.4.1. Brief on Alumni Association Contribution to Institute in Financial & non-Financial means

MIPER has a registered Alumni Association under the Societies Registration Act as 'MIPER ALUMNI ASSOCIATION', Andhra Pradesh. The Association was formed on 16th July 2022 and inaugurated by Dr. T.V. Narayana, IPA President & Director, Vikas Institute of Pharmaceutical Sciences, Rajahmundry.

Alumni Association Registration Details: Reg. No. 30, Room No. 43/46/1/N/3/MIPER CAMPUS under Societies Registration Act 2001.

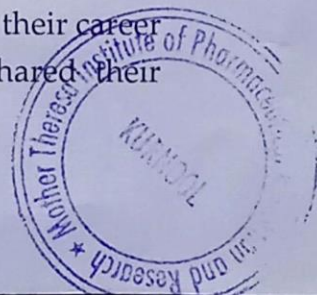

MIPER and the Alumni association jointly believe in creating and maintaining association with its alumni. The Alumni Association provides an interface for establishing a link between the alumni, staff, and students of the institute. MIPER alumni are currently pursuing their higher education at reputed organizations in India including NIPER, DIPSER etc. & working in various positions in Industry and proving their determination in all spheres of management.

Main objective of the MIPER Alumni Association is to bridge the gap between the college and alumni. The members of association are responsible for keeping complete track of alumni with their required details, inform them about the current changes and achievements of the institute.

Alumni association meetings take place yearly and future plans are discussed in the meetings. Along with the association meeting annual alumni meet is also organized at the institute level every year.

Alumni contribution happens in various non-financial forms such as alumni interaction week, alumni challenge competition. Alumni on our campus for the benefit of the juniors which includes; Freshers day programs for positive motivation, Training & Placement activities, conducting mock personal interviews, discuss business and entrepreneurship opportunities.

During the interaction's alumni members and students in Freshers day and other activities, they have highlighted the importance of current trends & opportunities for fresh graduates of pharmacy in the market and guided the students about their career opportunities in different disciplines of pharmacy. They have also shared their

personal experiences with students. Alumni visit campus at regular intervals to support the existing batch of students in planning and organizing events, extend support and guidance for functioning of various student's clubs.

Alumni who are entrepreneurs have been providing inputs on how to start a new venture and turning them in to job providers. This has resulted in few students who have in progress of their entrepreneurship planning & execution.

Some of the alumni are actively participating in social service combining with creative activities for rural area kids. These activities are quite motivational and create enthusiasm among children resulting in awareness related to importance of education among poor children. All these activities are carried out during weekends. Whenever these alumni visit the campus they motivate students to follow their path for the betterment of the society.

Alumni extending their support for campus placements and summer and winter internships for HR, Finance and Marketing students from time to time. Each of these members are contributing the institute in their area of expertise.

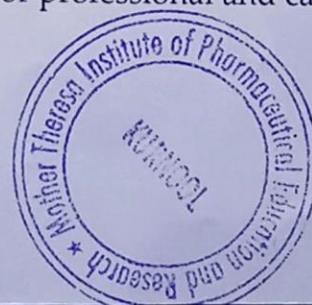

To conclude, afore said discussion clearly brings out the engagement of alumni as an important stake holder in education system. They, therefore, enjoy a greater space under NEP 2020 in contributing towards institutional growth and development.

In near future MIPER Alumni are expected to perform many roles effectively such as promoting institutional brand; providing mentoring to on-going students; facilitating internships, career opportunities, job placement for outgoing students and so on.

Yearly meet of Alumni Association, they are instructed to organise sports events with active participation of well-known players in different segments of sports activities. They can also assist and motivate students to develop proper skills of a particular game.

Alumni can also facilitate workshops for students to develop their writing skills, presentation skills and other soft/behavioural skills to promote opportunities for their employability.

- Various social welfare and awareness activities organized by the institute such as Swatchata Abhiyan, Tree plantation, Blood Donation Camp, Free Medical and eye test camp, Covid Vaccination drive and many more were implemented to create self-reliance among the present students and especially the poor and the needy.
- They are providing career and vocational guidance for professional and career development.

The alumni have a role to develop positive thinking, maintenance of harmonious relations and morals among students. Accordingly, alumni have not ceased to learn new concepts, theories, methodologies, skills, etc. They can share their experiences with students and reskill/upskill themselves and the institutions may organise programmes for their alumni periodically.
